

Holemaking

Video: OSG Phoenix PD

Brought To You by OSG | Jun 01, 2020

Video Highlights

OSG's Phoenix PD features a unique flute design with high-precision finish and integrated chipbreaker. The PD is an indexable drill series designed for efficient, stable holemaking up to 5xD. It is an ideal solution for a wide variety of materials such as carbon and alloy steel, stainless steel, cast iron, and nonferrous materials. *Watch the short video above to see it in action (music only, no transcript).*
