VIDEO: 3M Xtract™ Demonstration on Composite

Brought To You by 3M Abrasives | Mar 01, 2022

For sanding wood, metal and composites, 3M Xtract™ net discs offer industry-leading cut rate and help maintain a cleaner work environment, resulting in better performance and improved results. Go for performance. Leave the dust behind. Watch as 3M Xtract™ Clean Sanding Solutions is demoed on composites. Learn more about the full system [*here*](#).
