## VIDEO: TOOLING UP – Extreme Versatility with the Kennametal Dodeka Mini Milling Cutter

Brought To You by Kennametal | Mar 10, 2022

### Video Highlights

Tooling Up is a video series by MSC Industrial Supply Company that provides real-world insights brought to you by leading industry experts and aimed at improving the efficiency and productivity of your operations.

Through Tooling Up, you'll gain access to our knowledgeable in-house specialists and experts from our most-trusted partners and suppliers, along with some exclusive innovative offerings from MSC. From metalworking and MRO supplies, services, and expertise to inventory management solutions, and to the safety and well-being of your team, we are dedicated to working side by side with you to make your operations better.

*Explore more Tooling Up videos here.*

In this episode of MSC's Tooling Up Eddie Saunders Jr., MSC Expert Host, is joined by Tony McClain, Regional Product Manager, Indexable Milling at Kennametal for a real-time discussion about how the versatility of the Dodeka Mini Milling Cutter truly benefits manufacturing facilities.

They'll cover important topics including:

- Common areas where this tool is utilized
- What this tool helps operators achieve at the spindle
- Flexibility of the inserts and performance in various materials
