

Personal Protective Equipment

VIDEO: Milwaukee® Performance Safety Glasses with Gasket

Brought To You by Milwaukee | May 11, 2022

The MILWAUKEE® Performance Safety Glasses with Gaskets provide Advanced Protection with Ultimate Performance. The safety glasses have a removable gasket that protects against debris. The lenses are high-velocity impact tested providing military grade impact protection. The protective eyewear has fog-free lenses so the lenses will stay clear and unobstructed on any jobsite. Durable anti-scratch lenses withstand the demands of a job site. Clear and glare-reducing polarized options are available for working indoors or outdoors.
