VIDEO: Milwaukee® M18 FUEL™ 4½"/5" Grinders

Brought To You by Milwaukee | May 03, 2022

Milwaukee's M18 FUEL™ 4½"/5" Grinder is the next advancement in power and performance, generating 11A corded power, fastest cutting, and delivering up to 135 cuts per charge. The M18 FUEL™ 4½"/5" Grinder generates 11A corded power, allowing you to complete the toughest grinding and cutting applications, all on the M18™ Cordless System. The POWERSTATE™ Brushless Motor delivers maximum sustained power and 8,500 RPM to remove material faster and increase productivity. REDLINK PLUS™ Intelligence ensures unmatched levels of performance, protection, and compatibility. The M18 FUEL™ 4½"/5" Grinder includes an electronic clutch for kickback protection, as well as overload protection to maximize motor life. The M18™ REDLITHIUM™ HIGH OUTPUT™ XC6.0 Batteries (not included) deliver 50% more power while running 50% cooler than Milwaukee's M18™ REDLITHIUM™ XC Batteries and are compatible with 200+ Tools in the M18™ System. With tool-free accessory and guard adjustments, you will experience faster accessory changes, and less downtime, while remaining fully compatible with the most common accessories in the market.
