VIDEO: Milwaukee® M18 FUEL™ 4½"/5" Variable Speed Braking Grinders

Brought To You by Milwaukee | May 03, 2022

Milwaukee's M18 FUEL™ 4½"/5" Variable Speed Braking Angle Grinder, Paddle Switch No-Lock and M18 FUEL™ 4½"/5" Variable Speed Braking Angle Grinder, Slide Switch Lock-On are the newest additions to Milwaukee's battery-powered grinder lineup, generating 11A corded power, 5-speed for increased control, and RAPIDSTOP™ brake for enhanced safety. The POWERSTATE™ Brushless Motor delivers 3,500-8,500 RPM and maximum sustained power to complete the toughest grinding and cutting applications, allowing you to push your cordless angle grinders harder and longer than ever before. REDLINK PLUS™ Intelligence ensures unmatched levels of performance, protection, and compatibility. The M18™ REDLITHIUM™ HIGH OUTPUT™ XC6.0 Batteries (not included) deliver 50% more power while running 50% cooler than Milwaukee's M18™ REDLITHIUM™ XC Batteries. The variable speed dial provides 5-speed settings between 3,500 RPM and 8,500 RPM allowing for greater control in more applications. With tool-free accessory and guard adjustments, users will experience faster accessory changes and less downtime.
