VIDEO: Milwaukee® M18 FUEL™ 4½"/5" Variable Speed Braking Grinders

Brought To You by Milwaukee | May 03, 2022

Milwaukee's M18 FUELTM 4¹/₂"/5" Variable Speed Braking Angle Grinder, Paddle Switch No-Lock and M18 FUELTM 4¹/₂"/5" Variable Speed Braking Angle Grinder, Slide Switch Lock-On are the newest additions to Milwaukee's battery-powered grinder lineup, generating 11A corded power, 5-speed for increased control, and RAPIDSTOPTM brake for enhanced safety. The POWERSTATETM Brushless Motor delivers 3,500-8,500 RPM and maximum sustained power to complete the toughest grinding and cutting applications, allowing you to push your cordless angle grinders harder and longer than ever before. REDLINK PLUSTM Intelligence ensures unmatched levels of performance, protection, and compatibility. The M18TM REDLITHIUMTM HIGH OUTPUTTM XC6.0 Batteries (not included) deliver 50% more power while running 50% cooler than Milwaukee's M18TM REDLITHIUMTM XC Batteries. The variable speed dial provides 5-speed settings between 3,500 RPM and 8,500 RPM allowing for greater control in more applications. With tool-free accessory and guard adjustments, users will experience faster accessory changes and less downtime.
