VIDEO: Milwaukee® Safety Helmets

Brought To You by Milwaukee | Aug 01, 2022

Milwaukee's Type II Safety Helmets deliver you better protection and more comfort. These safety helmets offer protection from top and side impacts. These construction safety helmets are BOLT™ compatible with four BOLT™ accessory slots and two universal accessory slots that easily integrate additional personal protection equipment and accessories so you can adapt to your jobsite. The helmets include a MILWAUKEE® BOLT™ Headlamp Mount that works with most headlamps and a BOLT™ Marker Clip allows for easy access to pens and markers. This Milwaukee helmet has a comfortable padded suspension that includes an adjustable swinging ratchet for better comfort and an adjustable buckle chin strap for better security. *Watch the short video above to learn more.*
