VIDEO: Introducing Scotch-Brite™ Precision Surface Conditioning Discs

Brought To You by 3M Abrasives | Jul 12, 2022

Scotch-Brite™ is bringing new solutions to the surface. Introducing the all new Scotch-Brite™ Precision Surface Conditioning Discs with 3M engineered Precision Shaped Grain integrated into Scotch-Brite™ Nonwoven Technology. The spring-like web helps improve surfaces without changing the base material. *Learn more in the short video above.*
