How many standing workers do you have?

As an example we'll use **150**

Safety ROI

VIDEO: ROI Field Assessment by Wearwell

Brought To You by Wearwell | Jan 03, 2023

Video Highlights

In this video, you will see an example of what the initial investment of a matting program would be and how long it will take to pay for itself. Wearwell asks these five key questions:

1. How many standing workers do you have?
2. What's your absenteeism rate?
3. What's your average hourly pay rate?
4. How many shifts do you run?
5. What's your budget or expected mat spend?

With 5 simple questions you can determine just how much you can save and how quickly you'll see a return with a Wearwell matting program. The answer may surprise you. Watch the short video above to learn more (*music only, no transcript*).
