## **VIDEO: Introducing the All-New KenTIP™ FS GTP Insert Featuring GOdrill™ Point Design**

Brought To You by Kennametal | Oct 02, 2023

### **Video Highlights**

Kennametal introduces the KenTIP FS GTP insert with the GOdrill point design. The GOtip is the only insert in the KenTIP FS platform built for multi-material drilling. The new insert is ideal for customers looking for one tool to run in multiple workpieces when drilling medium and large hole diameters. *Watch the short video above to learn more (music only, no transcript).*
