VIDEO: Streamlight BearTrap®: Ideal for Industrial Applications

Brought To You by Streamlight | Jun 14, 2023

Inspect, identify and repair with the multi-function BearTrap®. It produces bright white light in both spot and flood modes. Go hands-free – it clamps virtually anywhere or stands on its own to illuminate hard-to-reach spaces; also features a magnetic base and stowable hook. See all the features in the short video above (*music only, no transcript*).
