VIDEO: Scotch-Brite Refining Demo

Brought To You by 3M Abrasives | Jul 25, 2023

Check out the new Scotch-Brite™ Precision Surface Conditioning Discs in action! In this video, 3M will be showcasing a refining application on a stainless steel weld. This video showcases how to take down a weld in a multi-step sequence using the new Scotch-Brite™ Precision Surface Conditioning Disc, Coarse and Fine Grades, and 3M™ Fibre Disc 787C, 60+ grit.
