VIDEO: Coolant Odor – Featuring John Treese, and Tony Gunn of MTDCNC

Brought To You by Master Fluid Solutions | Aug 29, 2023

Do you smell that? Hopefully not, but if you do, poor coolant management could be the culprit. In this episode, John Treese, Global Training Director, and Tony Gunn from MTDCNC tackle this stinky issue. No one enjoys coolant odor, and John goes into detail about how you can prevent odor to keep your shop smelling fresh and clean.
