In its eye-catching, octagon-shaped cardboard dispenser, Tags By-The-Roll™ allows you to keep tags organized, contained, protected, and ready to use. Tags are connected, perforated and rolled in a dispenser. The box is designed to sit on any flat surface in your workstation or mounted by its half-inch center spindle hole, wherever you need tags on the go! Made of AccuformNMC's pulp-free cardstock, Tags By-The-Roll are wear and water-resistant, making them ideal for indoor or short-term outdoor exposure. Tags By-The-Roll are available in 100 or 250 per roll and a wide variety of messages that include lockout/tagout, inspection, status record and general safety tags.
