VIDEO: QUICK TIPS #17: Save on Energy Costs with Air Filters

Brought To You by PRO-SOURCE | May 31, 2024

In this episode of MSC's QUICK TIPS, we hear a bit of a conversation from Buddy Kulp of MSC and Jason Board of MSG about MERV ratings, what they are, and how understanding them can ultimately lead to cost savings in energy consumption with air filters for your home or business.

QUICK TIPS is a video series by MSC Industrial Supply Company where we invite industry pros to share their expertise with us. Through QUICK TIPS, you'll pick up bite-sized bits of information from our in-house specialists and experts from our most-trusted partners and suppliers in a way that fits your busy schedule.
