VIDEO: Kurt TriLock Vise with CARVESMART Jaws

Brought To You by Kurt Manufacturing | Oct 01, 2024

The latest addition to Kurt Workholding's vise lineup is the brand new TriLock Vise with CARVESMART dovetail jaws. The TriLock's unique 3-in-1 design allows this standard double-station vise to quickly transform into a single-station vise and a large single-station vise. Take a deep dive into the vise with Kurt Applications Engineer, Bill Ehnstrom.
