VIDEO: Introducing W4900 Touchscreen Electronic Indicators (with output)

Brought To You by Starrett | Oct 15, 2024

The new Starrett W4900 Electronic Indicator combines innovation, high versatility and ease-of-use with unparalleled ease of settings navigation. Built for quality labs, inspection areas and in-process applications where access is not always available. This high-end, IP67 indicator can also be used in OEM applications on custom build and design tools and machinery. Learn more about it in this short video.
