VIDEO: Introducing the TENDO Family: TENDO Silver and TENDO Platinum

Brought To You by Schunk | Dec 03, 2024

Introducing the complete TENDO Family. The TENDO name guarantees precise and repeatable toolholding that is easy to use. Choose from the economical price and high performance of the TENDO Silver, or the tried-and-true durability of TENDO Platinum. Either way SCHUNK has you covered — see the toolholder lineup and differences between them in this short video to make the choice that is right for you.
