VIDEO: Tyvek® Coffee Pot Demonstration for Breathability

Brought To You by DuPont Personal Protection | Mar 03, 2025

How does Tyvek® fabric compare to similar personal protective equipment (PPE) options on the market?

In this video demonstration, view the unique performance properties of DuPont™ Tyvek® compared to microporous film. The creative use of a coffee pot creates a compelling visual of the superior water resistance and breathability properties of Tyvek®, available only from DuPont.

Watch the video to see for yourself, and learn more about DuPont™ Tyvek® offerings at [**MSCDirect.com**](https://www.mscdirect.com).
