Video: Ansell Guardian

Brought To You by Ansell | Mar 03, 2020

Choosing the right protection for your application can sometimes be a tricky task. Ansell Guardian® is a proprietary service to help companies select the right personal protective equipment solution to improve their safety, productivity and cost performance.

Workplace injuries remain a big problem. In addition, health and safety standards and regulations and increased focus on sustainability and waste reduction are forcing companies to find new ways to reduce PPE costs without sacrificing worker safety. Ansell can evaluate your safety needs and business performance requirements. Since July 2014, their recommendations have resulted in injury reductions on an average of 65%.

Download the white paper to see how Ansell Guardian can deliver best-practice recommendations to make your facility safer and improve your business performance.
