

Workplace Safety

Signage for a Safer Workplace

Brought To You By NMC | Feb 04, 2019

Stay compliant and keep people safe both inside and outside your facility by promoting a safe workplace environment with safety signs. National Marker, a leader in Safety for over 80 years, has signs available for the areas with the most violations. Quickly deliver safety messages and reduce potential fines.

DITCH THE FINES

GET THE SIGNS

LOCKOUT TAGOUT

Total Violations: 3,131

10 people die every month in the US from the unexpected release of energy.

Enforce your Lockout Tagout procedures with tags and devices.

HAZARD COMMUNICATION

Total Violations: 4,652
