

How-to

## Video: How-to Measure a Milling Machine for a DRO Unit

| Mar 02, 2019

### Video Highlights

In this short video, Larry Costigan, Machinery Customer Support Manager out of Atlanta, GA shows us how to make the correct measurement for a milling machine DRO 2-axis, 3-axis or 4-axis unit.

After watching this video with 'Larry the Machinery Guy' you'll be able to order the correct size DRO unit for your machine with confidence.
