

Machining

VIDEO: Accupro Threading

Brought To You by Accupro | Jul 18, 2019

Video Highlights

- Manufactured from vanadium high-speed steel alloy, Accupro threading tools are designed for threading steel and titanium, aluminum, cast iron and more.
- Spiral fluted taps feature ground threads for better surface finish and tighter tolerances.
- Accupro taps feature color bands that easily match the tap with the material to be machined to optimize performance.
