Making the Switch From Laundered Rags

Brought To You by Brady SPC | Nov 25, 2020

No facility is free from leaks, drips and spills. And when it comes to responding to these instances to keep employees safe from slips, trips and falls, you need a reliable and cost-effective absorbent solution. To see what solution fits your needs, click [*here*](#) to download an editable PDF and plug in your data in the blue box shown below to see how SPC pads compare to rags.
