Rubbermaid's Heavy-Duty Adaptable Cart

Brought to You by Rubbermaid Commercial Products | Dec 03, 2019

The Heavy-Duty Adaptable Cart from Rubbermaid Commercial Products provides superior versatility for tackling whatever task is at hand. It reduces the need for time-consuming user modifications with a variety of integrated features including:

- An ergonomic adjustable handle with four positions for maximum comfort.
- A flip-up shelf (20 lb. capacity) perfect for laptop use or small part assembly.
- Locking casters to stabilize the cart when used as a work surface.
- Numerous storage features designed to help organize tools and small parts.
- Slots around rim of upper shelf for storage of small tools like wrenches, pliers, or screwdrivers.
- Two snap-in hooks provide additional storage options for extension cords or other items.
- Small part storage near handle keeps hardware and tools organized.

To learn more about the features and benefits of Rubbermaid's Heavy-Duty Adaptable Cart and see how it can fit into your workplace, download the brochure.
